about us

Handassia® is one of the region's leading architecture consultant offices specialized in design & building educational projects. With more than 20 years of experience, our project ranges from small kindergarten buildings to complete educational projects. Our services range from renovation & extension of existing campus projects to design complete new educational campus project.

Handassia® has completed some of the major educational projects & won international design awards, we continue our main goal of " *Creating a better learning environment* " that inspires, motivates and develops student and teacher communities of our region. Handassia® services range from conceptual design to final working drawings & project management

history

In 1987 **Dar Al Omran**® was established as the first architecture consultancy office specialized in educational projects.

By the end of 2008, **Dar Al Omran**® became **Handassia**®.

In 2009 **Handassia**® merged in *TALIMIA Group*, a group of companies that is targeting education industry and aiming for investing in people.

mission

Handassia® mission is achieving a clear understanding of all aspects of a project through a collaborative client relationship and a coordinated effort between client, community, contractors and consultants with a team of dedicated professionals designing all facets of a project including architecture, landscape, planning, interiors and graphic design.

vision

The vision behind Handassia® is to explore and use architecture as a medium to strengthen cultural and individual confidence, to support local economies and to foster the ecological balance. An educational building that is harmonious in its design, structure, technique and use of materials this is what defines its sustainable and locate it in the heart of its community.

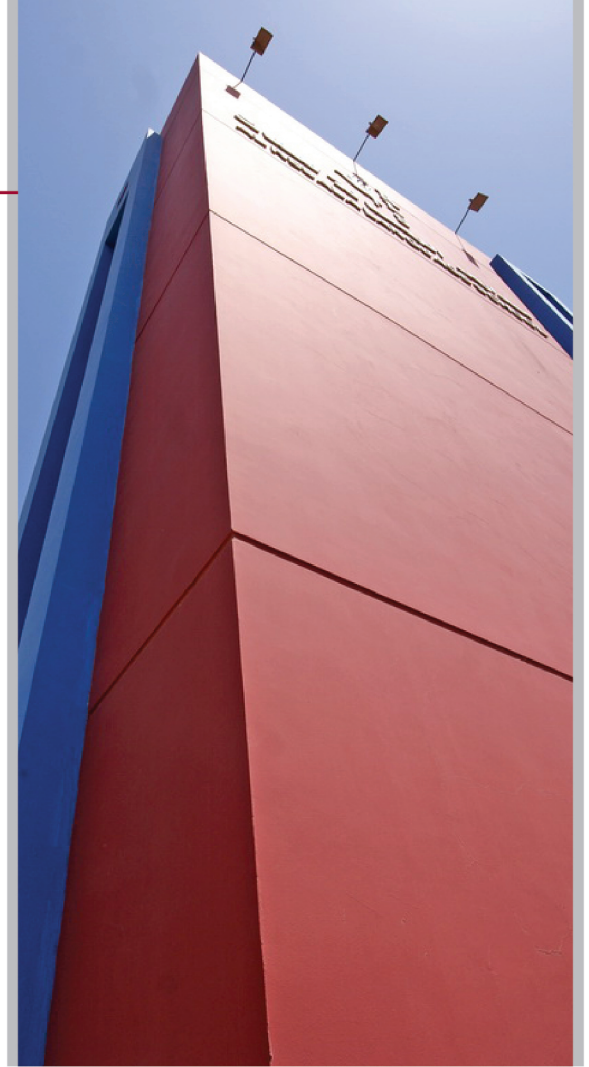

values

integrity

Without exception, we keep our promises, do what we say we will do, and do what is right.

quality

It is our intention to deliver a quality service & a quality experience every time. And we believe that the true test of quality is client satisfaction.

design

Handassia® stands for the quality design that is within the client's budget.

finance

We understand the financial reasons behind every project and we respect our client's need to be profitable. We integrate financial aspects into our range of services.
